

Doris Kamper's 100th Birthday!

We have a huge milestone happening this month - Doris is turning 100!!! We are going to celebrate her on Tuesday, April 9th, with her favorite dessert - ice cream! We will have an ice cream bar with multiple flavors and tons of toppings! Come celebrate Doris with us!

"Fly Me to the Moon" Prom Night!

You read that right! Grace Manor is having a prom on Thursday, April 11th. We want everyone to dress in formal wear if possible (or just really nice attire if you don't have any formal wear). Your families are invited to attend and participate as well, and they can help you get ready. A prom king and queen will also be voted on. Let's all go back to our high school days and enjoy going to prom together!

Facebook Page!

Please encourage all of your family and friends to "like" our Grace Manor Assisted Living page on Facebook! It's a wonderful way for them to keep up with everything happening and to see pictures of all of you!

Nice Weather!

With the weather getting warmer every day, we will start doing more and more activities outside. It's so good for you to get fresh air!
